Your letter should include:

1. Your name and account number.
2. A description of the electronic transfer you are unsure about, and explain as clearly as you can why you believe the Credit Union has made an error or why you need more information.
3. The dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within ten (10) business days.

We will tell you the results of our investigation within ten (10)* business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45)** days to investigate your complaint or question. If we decide to do this, we will credit your account within ten (10)* business days for the amount you think is in error, so that you will have the use of the money during the time it takes to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) business days, we may not credit your account. We will tell you the results within three (3) business days of completing our investigation. If we decide there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

NON-VISA DEBIT TRANSACTIONS

Justice Federal Credit Union enables non-Visa debit transaction processing and does not require that all such transactions be authenticated by a PIN. A non-Visa transaction may occur on your Justice Federal Credit Union debit card through the Star, Alliance One, Co-Op, Plus and Allpoint Networks.

Below are examples to distinguish between a Visa Debit and non-Visa debit transaction:

1. To initiate a Visa debit transaction at the point of sale, the cardholder signs a receipt, provides a card number (e.g. in e-commerce or mail/telephone order environments) or swipes the through a point-of-sale terminal.
2. To initiate a non-Visa debit transaction, the cardholder enters a PIN at the point-of-sale terminal, or for certain bill payment transactions, provides the account number for an e-commerce or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction.

A non-Visa debit transaction will not provide the zero liability protection benefit. Provisions of the cardholder agreement relating only to Visa transactions are inapplicable to non-Visa transactions.

* If you give notice of an error within thirty (30) days after you make the first deposit to your account, we will have twenty (20) business days rather than ten (10) business days.

** If you give notice of an error within thirty (30) days after you make the first deposit to your account, notice of an error involving a point of sale transaction, or notice of an error involving a transaction initiated outside the U.S. its possessions and territories, we will have ninety (90) days instead of forty-five (45) days to investigate.
